

WAC 458-20-126 SALES OF MOTOR VEHICLE FUEL, SPECIAL FUELS,
AND NONPOLLUTANT FUEL.

(1) MOTOR VEHICLE FUEL AND SPECIAL FUELS. "Motor vehicle fuel" as used in this section means gasoline or any other inflammable gas or liquid the chief use of which is as fuel for the propulsion of motor vehicles. (See RCW 82.36.010.) "Special fuels" as used in this section means all combustible gases and liquids suitable for the generation of power for propulsion of motor vehicles, except that it does not include motor vehicle fuel as defined above. (See RCW 82.38.020.) Diesel fuel is an example of a special fuel.

(a) The retail sales tax does not apply to the following:

(i) Sales of motor vehicle fuel on which the tax of chapter 82.36 RCW is paid.

(ii) Sales of special fuel when sold for use as fuel in propelling motor vehicles upon the public highways in this state and on which the special fuel tax of chapter 82.38 RCW is paid. Payment of the annual fee in lieu of the special fuel tax on natural gas and propane, RCW 82.38.075, constitutes payment of the special fuel tax imposed by chapter 82.38 RCW.

(b) The retail sales tax or use tax applies to sales and uses of motor vehicle fuel or special fuel when the taxes of chapter 82.36 or 82.38 RCW have not been paid or have been refunded.

(c) By reason of special exemptions contained in RCW 82.08.0255 the retail sales tax does not apply to sales of special fuel delivered in this state which is later transported and used outside this state by persons engaged in interstate commerce. This exemption also applies to persons hauling their own goods in interstate commerce.

EXEMPTION CERTIFICATE. Persons selling special fuel to interstate carriers which comes within the foregoing exemption may obtain an exemption certificate from the purchaser in substantially the following form in order to document the entitlement to the exemption.

Certificate of Special Fuel Sales
to Interstate Carriers

The undersigned hereby certifies that all the special fuel purchased from the listed dealer will be purchased for transportation and use outside of Washington by them as an interstate carrier and is entitled to the exemption of RCW 82.08.0255 or will be used on highways in Washington and the special fuel tax of chapter 82.38 RCW will be paid.

Carrier: _

Authorized Carrier Signature:

Title or office:

The above certificate must be renewed at intervals not to exceed four years.

(d) Neither the retail sales tax nor use tax applies to sales or uses of motor vehicle fuel or special fuel purchased by private, nonprofit transportation providers certified under chapter 81.66 RCW, who are entitled to fuel tax refund or exemption under chapter 82.36 or 82.38 RCW.

(e) Persons selling special fuels on which the tax of chapter 82.38 RCW is not collected, except special fuel sold for use outside this state by persons engaged in interstate commerce, or fuel sold to exempt certified transportation providers, are required to collect the retail sales tax on retail sales thereof.

It is the intent of the law that all vehicle fuels, except special fuel purchased in this state for use outside this state by interstate commerce carriers, or fuels sold to exempt certified transportation providers will be subject to either the vehicle fuel taxes (chapter 82.36 or 82.38 RCW) or else the sales or use taxes of the Revenue Act (chapter 82.08 or 82.12 RCW). The fuel taxes apply to sales of fuel for on-highway consumption. The sales or use tax applies to fuel sold for consumption off the highways (e.g., boat fuel, or fuel for farm machinery, construction equipment, etc.).

(f) When persons purchase motor vehicle fuel or special fuel upon which either the fuel taxes of chapter 82.36 or 82.38 RCW have been paid, but the fuel is consumed off the highways, such persons are entitled to a refund of these taxes under the procedures of chapter 82.36 or 82.38 RCW. However, persons receiving refund of vehicle fuel taxes because of their off-highway consumption of the fuel in this state are subject to payment of the use tax of chapter 82.12 RCW on the value of the fuel. The director of the department of licensing administers the fuel tax refund provisions and will deduct from the amount of any such refunds the amount of use tax due.

(2) NONPOLLUTANT FUEL. RCW 82.38.075 provides for payment of an annual fee by users of nonpollutant fuel (natural gas and liquified petroleum gas, commonly called propane) in lieu of motor vehicle fuel tax which would otherwise be due. This fee is paid at the time of original and annual renewals of vehicle license registrations. Sales or use tax applies to sales of nonpollutant fuel and any other motor fuel only if the taxes of chapter 82.36 or 82.38 RCW are not paid. The "in lieu of" tax is merely an alternative method of paying tax due under chapter 82.38 RCW. Thus, when it is paid by a user, the user has no liability for sales or use tax on purchases of nonpollutant fuel for use in the motor vehicle.

(a) Fuel dealers should not collect sales or use tax on any nonpollutant fuel sold to Washington licensed vehicle owners for "on-highway" use when the vehicle displays a currently valid decal or other identifying device issued by the department of licensing.

(b) Nonpollutant fuels purchased for "off-highway" use, however, are not subject to the taxes of chapter 82.36 or 82.38

RCW and therefore the sales tax applies to dealer sales of fuel for "off-highway" use. If the nonpollutant fuel is pumped into the vehicle fuel tank, then the special fuel tax applies. However, this tax should have already been paid by Washington state licensed vehicle owners directly under the "in lieu of" provisions of RCW 82.38.075.

(c) The department recognizes that certain licensed special fuel users may find it more practical to accept deliveries of nonpollutant fuels into a bulk storage facility rather than into the fuel tanks of motor vehicles. Persons selling nonpollutant fuels to such bulk purchasers may obtain from the purchaser an exemption certificate in order to document entitlement to the exemption. The certificate will certify the amount of fuel which will be consumed by the buyer in propelling motor vehicles upon the highways of this state. This procedure is limited, however, to persons duly registered with the department. The registration number given on the certificate ordinarily will be sufficient evidence that the purchaser is properly registered. The certificate shall be in substantially the following form:

CERTIFICATE FOR PURCHASE OF NONPOLLUTANT SPECIAL FUELS

Seller:

Buyer:

Buyer's DOR reporting No.:

Buyer's Special Fuel User's License No.: _____

The undersigned hereby certifies that on this date he purchased (gallons/cubic feet) of nonpollutant fuel from the above named seller, and that delivery of the products so purchased was not made into the fuel tanks of a motor vehicle. The undersigned further certifies that of the purchase herein described:

1. (gallons/cubic feet) will be used to propel motor vehicles upon the highways of the state of Washington and that the "in lieu of" special fuel taxes of chapter 82.38 RCW have been paid.

2. (gallons/cubic feet) will be used in some other manner and that the retail sales tax is applicable to the purchaser of this quantity.

(d) Where it is not possible for a special fuel user licensee to determine at the time of purchase the exact proportion of the products purchased which will be consumed in propelling motor vehicles upon the highways of this state, the amount of such off-highway use special fuel may be estimated. In

the event such an estimate is used, the purchaser must make an adjustment on a following excise tax return and pay use tax upon any portion of the fuel used for off-highway purposes upon which the retail sales tax was not paid.

(e) Certificates should be retained by the seller, as a part of his permanent records, and will be acceptable evidence of sales tax exemption upon sales of nonpollutant special fuel delivered in the manner described. When nonpollutant fuel is delivered by the seller into the bulk storage facilities of a special fuel user licensee or is otherwise sold to such buyers under conditions whereby it is not delivered into the fuel tanks of motor vehicles, it will be presumed that the entire amount of the products so sold will be subject to the retail sales tax unless the seller has obtained the certificate.

(f) Owners of out-of- state licensed vehicles who purchase propane and other nonpollutant fuel normally will not have paid the motor vehicle fuel tax or the special fuel tax. Thus, where the taxes of chapters 82.36 and 82.38 RCW have not been paid they owe sales tax on their purchases of this fuel for both on-highway or off-highway use.

(g) Accordingly, the following guidelines will prevail:

(i) All sales of nonpollutant fuel not placed in vehicle fuel tanks by the seller are subject to sales tax which the seller must collect and remit unless a certificate as described above is obtained from the purchaser.

(ii) All sales of motor vehicle fuel, special fuel, or nonpollutant fuel of any kind for "on-highway" use are subject to the fuel taxes of chapter 82.36 or 82.38 RCW.

(iii) The tax due on nonpollutant fuel for "on-highway" use (including propane) under chapter 82.38 RCW will already have been paid by Washington licensed vehicle owners so the seller need not collect additional state tax of any kind.

(iv) Non- Washington licensed vehicle owners who have not paid tax under either chapter 82.36 or 82.38 RCW must pay sales tax on all purchases of nonpollutant fuel (including propane) whether for on-highway or off-highway use.
